

As farmers and primary producers of food we provide guests with locally produced, locally sourced food including homemade bread, homemade jams, jellies and marmalade (our speciality being hedgerow fruit jams). A selection of these are available to purchase and are stocked in some outlets locally. Please see the blog on our website for pictures and commentary on our current farm activities.

Location

Please see our website for a location plan.

Fullards Farm is located 3 miles north of St Ives (A14 junction 26) and 7.5 miles from junction 23 of the A14 at Huntingdon. Woodhurst is accessed from the A141 to the west and the B1040 to the east.

Just after passing the Woodhurst village signs turn off the main through road, into South Street. The farmhouse is located approximately half way along the lane, opposite a white painted field gate with adjacent kissing gate and footpath sign. Please park on the gravel driveway at the left hand side of the house.
